Corrections

Chapter 11, Paragraph 210, read:

(210) A municipal marina is on the north side of Pere Marquette Lake just inside the entrance. The marina has several transient berths and provides gasoline, diesel fuel, electricity, water, ice and a pump-out facility. A public launching ramp, protected by a rubble mound breakwater, is in the outer harbor basin just north of the north pier. A large marina is just southeast of the municipal marina with about 60 transient berths and provides gasoline, diesel fuel, electricity, water, ice and pump-out facility. Additional private marinas are along the west side of Pere Marquette Lake and in the northeast arm of the lake. All marinas monitor VHF-FM channel 9.

(L 1161-2012; NOS 14937)

Chapter 13, Paragraph 378, read:

(378) **Grand Marais Light** (47°44'43"N., 90°20'16"W.), 48 feet above the water, is shown from a white square pyramidal skeleton tower with upper part enclosed, on the east side of the harbor entrance. A mariner radio activated sound signal, initiated by keying the microphone five times on VHF-FM channel 83A, is at the light.
